Class starts at 8:30 AM

Springfield Armory XD/XDm Armorer Course

Springfield Armory Armorer courses are structured to provide each student with a practical understanding of the advanced features that make the Springfield Family of Firearms unique. Students will gain hands-on experience with the XD Pistols, the safest polymer handgun available, bringing together a number of important safety innovations into one firearm.

Topics that will be covered are:

- Nomenclature
- Operator use
- Cycle of functioning
- Field & detail stripping
- Care & cleaning
- Troubleshooting
- Preventive & corrective maintenance

Duration: 1-Day**
