Class starts at 8:30 AM

Shoot House Instructor Course

Shoot house training provides officers with the ability to hone their shooting skills under realistic, high-stress conditions. This course offers instructors all the tools necessary to build a shoot house program and improve their fellow officers' shooting skills.

Training Outcomes:

- Identify and eliminate shoot house safety issues
- Operate agency shoot house program
- Develop agency shoot house programs
- Integrate the range and the shoot house in training
- Train tactical teams in the shoot house
- Conduct shoot house live fire exercises

Duration: 2 Days

Tuition: \$450.00

Ammunition: 200 Rounds Pistol

Equipment Required: Wraparound eye protection, ear protection, brimmed hat, pistol with three magazines and holster, duty belt, full tactical gear including body armor, gas mask, and a flashlight.
