Class starts at 8:30 AM

Rapid Response Workshop

One of the objectives of this program is to provide an update on Tactics and Technology that is available for Rapid Response to Critical Incidents. By providing this training it will save lives of officers and citizens that are involved in these situations. A combination of classroom, isolation drills and practical exercises, this two-day workshop will introduce you to recent innovations from major manufacturers that will give you the advantage you need in rapid responses to critical incidents. 100% of tuition proceeds donated to C.O.P.S..

Training Outcomes:

- Breach RuhlTech Breaching Doors and with RuhlTech Equipment
- Live-fire ranges with Trijicon RMR and Streamlight Green laser
- Respond to medical emergencies
- Practice low lights search tactics Streamlight Flashlights
- Practical exercises – with FX, Breaching, RMR, Streamlight, First aid, Plate carriers and Ballistic Shields
